GDRSD School Committee Annual Goals for 2006-2007

1. Support the development and execution of the superintendent’s and district’s goals including improved achievement for all students and integration of technology into the curriculum.
2. Create and implement a policy plan that includes review of policy and implementation of policy priorities.
3. Strengthen relationships with constituencies by clearly defining roles, relationships, and expectations for community, municipal officials, Administrative Council and staff, School Councils, and each other.
4. Continue taking an active role with groups such as Massachusetts Association of School Committees (MASC) and state legislators to advocate for public education.
