

**Ben Goss Fundraiser Day**  
**Wear Your Favorite Sports Jersey**  
**(Any donations welcome)**

**--- Friday, September 18, 2009 ---**

Ben Goss is a 14 year-old Dunstable resident, who attended the Groton-Dunstable Middle School last year and should be entering his freshman year at the High School. For those of you who don't know, Ben was injured in a car accident on July 22, 2009. He sustained a serious spinal cord injury and spent 21 days at Children's Hospital in Boston. Ben was transferred to the Shepherd Rehabilitation Center in Atlanta, Georgia, where he will spend the next three months facing the biggest challenge of his life. The community has already shown an outpouring of support for Ben and his family and the Middle School would like to show their support by helping with expenses not covered by insurance.

Ben is a skilled Lacrosse player. He played on U15 teams and is a member and captain of the TOP Gun Indoor Lacrosse League (his jersey number is #27). We would like to have a "Wear Your Favorite Sports Team Jersey Day." Those students wishing to participate can wear their favorite sports jersey for the day and make a donation in any amount for Ben. In addition, we also will have Ben Goss Stay Strong #27 wrist bracelets for sale at \$5.00 each.

**Stay Strong #27 Ben Goss bracelets will be on sale for \$5**

Monetary donations are also accepted, checks payable to  
THE BEN GOSS FUND. Thank you.
