

GROTON DUNSTABLE STUDENT DIRECTORY

The parent organizations of the Groton Dunstable Elementary schools and the Middle School are once again planning to publish a student directory for families of students in preschool to grade 8. The directory will include an alphabetical listing of all students, as well as lists sorted by classroom/homeroom teacher. The directory is generously supported by advertising from businesses in our communities. **IF YOU WOULD LIKE TO ADVERTISE YOUR BUSINESS IN THE DIRECTORY, please contact Janet Sheffield at sheff170@hotmail.com or 978-448-5591 for ad rates and other information.**

- **All information is optional.** You may choose NOT to provide some or all personal information. If you do not wish to include any personal information, check the appropriate box below and we'll list only your child's name, grade and teacher.
- We regret there is room to list **only ONE address, phone number and email per student.** If there are choices to be made (address and P.O. box, etc) you must choose only one.
- You are encouraged to list your child's name as he/she is known to family and friends.
- You may see information pertaining to school and school activities show up in your email. If you do not wish to receive such mailings, please do not include your email address.
- The directory is for private and personal use of Groton Dunstable Elementary and Middle School families and staff. It is not intended for solicitation or distribution.

We hope you'll find the directory a useful tool for communicating with other families. We'll attempt to publish the directory as soon as possible this fall, distributing one to each family. Your cooperation in returning this form promptly is appreciated.

- If you do not wish to list any personal information, please check here and fill in just your child's name, grade and teacher on the form below.**

<small>(PLEASE PRINT)</small>		
School: MIDDLE SCHOOL	Grade _____	(indicate session for Kindergarten)
Homeroom/Team Teacher(s): _____
