

**GROTON DUNSTABLE REGIONAL MIDDLE SCHOOL  
GUIDANCE COUNSELING DEPARTMENT**

October 22, 2009

**Greater Lowell Technical High School Orientation  
(Dunstable Students Only)**

Eighth graders interested in possibly attending Greater Lowell Technical High School have been invited to an orientation of the school on Friday, November 6<sup>th</sup> from approximately 8:30 – 11:00am. Your child has indicated to me that they are interested in looking at Lowell Tech as a possibility for high school, but they would like to visit the school before applying. You may also go to [www.gltech.org](http://www.gltech.org) for further information.

**It is important to note that students attending the orientation will be responsible for making up the work they missed while at the orientation.** Since we value the limited time we have to educate your child, we are asking you to speak to him/her about whether or not attending Greater Lowell Technical High School is something he/she is seriously considering. If your child is interested in a technical education, we strongly encourage him/her to go on the tour. If attending Greater Lowell Technical High School is not an option your child is seriously considering, we would prefer that he/she stay in regular classes on Friday, November 6<sup>th</sup>. Thank you for your cooperation on this matter.

**Permission slips must be returned to your child's homeroom teacher or Mrs. Leone no later than Monday, November 2, 2009.**
