

**GROTON DUNSTABLE REGIONAL MIDDLE SCHOOL
GUIDANCE COUNSELING DEPARTMENT**

October 16, 2009

Nashoba Valley Technical High School Information

Representatives from the Nashoba Valley Technical High School will give a presentation to all 8th graders regarding the academic/technical programs offered at their school on Friday, October 23rd from 1:00-2:00pm. At that time, all students will receive a comprehensive program guide, as well as a form to fill out indicating their top five choices of programs that they would like to explore, should they decide to go on the tour. All 8th graders that are interested in attending Nashoba Tech have been invited to receive a tour of the school on Thursday, October 29th. The bus will depart our school at approximately 8:30am and return at approximately 12:30pm. Nashoba Tech will be providing lunch for the students. During the tour, the students will be able to visit their top five program choices. **It is important to note that students attending the tour will be responsible for making up the work they missed while on the tour.**

Since we value the limited time we have to educate your child, we are asking you to speak to him/her about whether or not attending Nashoba Tech is something he/she is seriously considering. If your child is interested in a technical education, we strongly encourage him/her to go on the tour. If attending Nashoba Tech is not an option your child is seriously considering, we would prefer that he/she stay in regular classes on Thursday, October 29th. Thank you for your cooperation on this matter.

Also, Nashoba Tech will be holding an Open House on Wednesday, November 4th from 6:30pm until 9:00pm. More information will follow at the end of October.

Permission slips and the form indicating your child's top five choices, must be returned to your child's homeroom teacher or Mrs. Leone no later than Monday, October 26, 2009.
